Re: Mahar v. Quality Bus and Railo
7:14-CV-03586-JCM

Dear Judge McCarthy:

This letter is being submitted in response to the correspondence from Vincent Cimini to the Court dated 5/15/15. The purpose of this letter is to remind the Court that at the direction of the Court, the authorizations previously provided were limited to the release of the records from Dr. Galli and the clinic for the time frame of 1/1/12 to 2/14/13. The subpoena should be so limited.

Additionally, since these records have been requested by both my office and Maynard's office using those authorizations, the subpoena should direct the Orange County Department of Mental Health to release the records to all three law firms. The alternative should be to have them made returnable to the Court for distribution to the parties.

Thank you.

Very truly yours,
